6 Training & Tennis School

Whether beginner or advanced player – everyone is welcome. Under the guidance of our coaching team, we offer year-round professional training for:

- Children from 4 years old & teenagers
- Adults of all playing levels
- Private lessons & holiday camps

Group training usually takes place in groups of 2–4 players. Since court capacity is reduced in winter (from 4 courts to 2 courts), the training offer may be more limited than in summer. Therefore, early registration is important.

8 Player License Application

To participate in tournaments or interclub matches, a license from the FLT (Fédération Luxembourgeoise de Tennis) is required.

The license is necessary for medical clearance, insurance coverage, eligibility for support programs, and participation in interclub matches and tournaments.

How to obtain your license

1. Schedule a medical examination:
 - with your family doctor / pediatrician (if you are under 7 or over 50 years old)
 - with the Medico-Sportif (ages 7–50)
www.sports.lu → “RV Médico-Sportif”
 - you can also find authorized doctors for medico sportif via doctena.lu

The medical report is sent directly by the doctor to the Ministry, which then grants the license approval to the club and the FLT.

2. At the same time, send the following documents to the club:

- ✉ licences@tc-lorentzweiler.lu
- Copy of your ID card (both sides, JPG)
- Copy of your social security card (both sides, JPG)
- Photo (optional)

Please also indicate whether you already have a license with another club (in Luxembourg or abroad). The club will apply for the license on your behalf with the FLT and covers the annual license fees.
